

## HANMAR ANNOUNCEMENTS / MEDIA RELEASES

A celebratory event was held following the completion of a long term project, relating to Worship Street. The Hanmar Staff of both divisions whom had been involved in these works attended a Corporate Clay Pigeon Shooting Day, held on 26<sup>th</sup> July 2014.

Prizes were been donated by Hanmar contractors and suppliers, including bespoke PPE for the event.

Corporate Clay Pigeon Shoot Results and Awards:

A great Day was had by all participants with a variety of different shooting disciplines attempted and competed for with everyone taking home an experience medal or medals depending on their performance on the day as well as a return visit to shoot either a 50 or 40 clay day at a date of their choosing. The day was well received by all members of the project and maintenance teams that took part and a general desire to repeat the event at other opportunities in the future.

Our thanks go to our supplier sponsors for the day:

Industrial Heating Supplies

Beacon Controls,

Senseco Fire,

Edmundson Electrical,

Space Air Conditioning

Supply Extract Air Ductwork
